as special interests requiring representation in the Assembly

In regard to the associations recognised in 1927 for returning members to the Assembly reports are being received from the Deputy Commissioners as to how they have been working etc. At the same time it is possible that new organizations might have sprung up representing new interests (or the interests already recognised). In 1927 a circular was published calling for applications from intending institutions for the purpose. (no. 802-32/R.A. & 4.5.1927)

It is for orders what action may now be taken to decide upon the several other special interests to be recognised for representation in the Assembly to be formed in June next — whichever there should be represented by Election and which by nomination.

[As regards the minorities action has to be taken after knowing the results of the coming elections].

Action is being taken by the University and the Legal interest constituencies already.

Please put up a statement of particulars regarding Associations by Govts recognised for the representation of special interests.

In the case of special interests as well as minorities action could be taken to nominate members only after it is decided which special interests ~~have to be recognized~~ and which communities have to be recognized for the triennium commencing from June 1930, and in which cases there are no deserving associations which could return useful members and nomination becomes absolutely necessary.

As for nomination itself there are no rules for the purpose and it is completely in the hands of Govt. They may consult either certain Heads of Departments or ~~cast~~ the Dt commissioner and arrive at a decision.

Under the R.A. ~~and I.C.~~ Regulations there shall ordinarily be 250 members of the Assembly, but Government can raise it to 275 for the representation of new interests and extra constituencies.

The number of members returned through the rural and urban constituencies is 208 (rural 167 and urban 41), ~~and~~ As regards the strength of the Assembly and the apportionment of the remaining seats, the following points have to be noted:-

(1) The number of Mahomadans, Christians and Panchamas elected through the rural and urban constituencies is, 8, nil, nil, respectively. They are therefore entitled to additional seats (either through Associations or nomination) as follows:-

(a) Mahomadans, --- 7 more
(b) Christians, --- 5, and
(c) Panchamas, --- 6.

This will take up 18 seats.

(2) The minimum number of seats allotted to special interests is 15. At the last meeting of Council it was provisionally decided to give representations to the special interests which were recognised in 1927 (takin up 20 seats), and in addition to give 2 seats for the representation of women's interests and if necessary 2 for the representation of "aided education". There ha been no demand in respect of the latter, and we may, I think, leave it out for the present. The representation of special interests would thus take up 22 seats

(3) Under the Regulation not less than 35 members o the Representative Assembly are to be representatives of Minorities to be elected by Associations or nominated by Government, leaving out the 18 seats to be allotted to Mahomadans, Christians and Panchamas (to

Perhaps we may leave this for the Simon Com to deal with

be returned by Associations or nominated by Government) there will have to be at least 17 seats for the representation of other minor communities. Even with this minimum number the total strength of the Assembly would be 208 + 18 + 22 + 17 or 265, which is high enough. I therefore think that only 17 seats need be allotted for the representation of minorities other than Mahomadans, Christians and Panchamas.

We have now to decide how these additional Members are to be returned. The points for decision are:

(a) Among which communities are the 17 seats referred to in (3) to be distributed?

(b) The 35 seats for minorities and the 22 seats for special interests are to be filled up by Associations recognised for the purpose, or through nomination by the Government. Which are the Associations that may be thus recognised? The idea should be to secure representation through Associations and to avoid nomination by Government as far as possible. At the same time, Associations which are not eligible under the rules and which are not doing any real work will have to be excluded.

I shall like to go with these matters with Secy on the 18th or 2nd April by 29/3/30

The strength of the Assembly during 1924-27 was 252 consisting o

165	representatives of rural constituencies	
37	"	urban constituencies
15	"	Special Interests, and
35	"	Minority Communities.

The present strength of the Assembly is 261 consisting of

165	representatives of rural constituencies,	
41	"	urban constituencies,
35	"	Minority communities, and
20	"	Special interests.

For the next triennium, 208 members (Rural 167, Urban 41) hav already been elected by the rural a urban constituencies.

The maximum number of seats available for the representation of Special and Minority Interests is 6 Out of this number, it is necessary reserve some for the new special interests and for the new Urban Cons tuencies which may have to be recog sed during the next triennium as a result of the taking of the census next year.

SPECIAL INTERESTS.

H.I.

A list of Special Interests recognised in 1924 and 1927 is put up.

Excluding the Mysore University and the Legal Interests (the representatives of which for the next triennium have already been elected) the Special Interests now recognised are the following :-

1.	European Planting	.. 1 seat.
2.	Indian Planting	.. 1 "
3.	Gold Mining.	.. 1 "
4.	Inamdars.	.. 1 "
5.	Factory Labour	.. 1 "
6.	Trade and Commerce.	.. 3 seats
7.	Agriculture	.. 2 "
8.	Co-operation	.. 2. "
9.	Spinning and Weaving Mills.	.. 1 seat
10.	Hand-loom weaving.	.. 1 "
11.	Mining Labour.	.. 1 "
12.	Sericulture.	.. 1 "
13.	Banking.	.. 1 "

The European Planting Interest is now represented by one member deputed by the Mysore Planters' Association and the privilege may be continued to the same association for the next triennium as the particulars furnished by the Deputy Commissioner show that the Associa-

H O.

Association is in working order.

The K.G.F. Mining Board will depute one member as hitherto to represent the Gold Mining Interest.

The Association now recognised for representing the Indian Planting Interest is the North Mysore Indian Planters' Association of Chickmagalur. No meetings either of the General Body or of the Managing Committee of this Association were held during the year 1927-28, no subscriptions whatever were collected in that year or in the next year. It is reported that a meeting of the General Body was held both in 1928-29 and 1929-30, that the Managing Committee met once or twice in these years and that subscriptions amounting to Rs.99 have also been lately collected. In view of these signs of revival, the privilege of deputing one member to the Assembly may perhaps be continued to this Association.

The Mysore Inamdars' Association has now been given the privilege of deputing one member to represent the Interests of Inamdars. From the report received from the Deputy Commissioner, Bangalore District, it will be seen that no meeting of the

(18

the General Body of this Association has been held during the past two years and that there is laxity in collecting subscriptions from the members. The Managing Committee of the Association, however, appears to be meeting regularly three or four times every year. It is for orders whether the privilege may be continued to this Association for the next triennium.

As regards Factory Labour, the Bangalore Textile Labour Union has applied for recognition to depute a member. But it has already been decided to nominate a member to represent this special interest.

The interests of Trade and Commerce are now represented by three members--one elected by each of the following associations :-

(a) The Chamber of Commerce.

(b) The Grain Merchants' Association, Bangalore.

(c) The Merchants' Association, Mysore.

All these associations are reported to be in working order and the privilege they now enjoy may perhaps be continued to them.

The remaining Special Interests are now represented by nominated members.

(11

P.S.

Agriculture. No association has applied for recognition to represent this interest. There are 12 individual applicants for nomination, viz.,

1. Mr. Hoskote Bhadrappa, Bangalore City.
2. Mr. Kallegowda, Hindemarahalli,
3. Mr. Mahomed Hussein, Goribidnur.
4. Mr. Timmegowda alias Tammaiyagowda, Krishnarajpet Taluk.
5. Mr. Patel Siddegowda, T. Narsipur.
6. Mr. M.H. Chennegowda, Maddur.

* Recommended strongly by the Dy. C.S. Mr. Hassan. H.T.

Co-operation. Orders have already been passed on the application of the Provincial Co-operative Conference and it has been decided to nominate two members to represent this interest. Four gentlemen have applied for nomination, viz.,

1. Mr. H. Manjaiya, Chennarayapatna.
2. Mr. Siddalingadevaru, Seringapatam (defeated candidate)
3. Mr. M.R. Puttaswamaiya, Arsikere.
4. Mr. M.V. Rudraiya, Malur.

~~(Name recommended by Mr. S. Venkatachar, Secretary, Mysore Co-operative Union)~~

Mr. Siddalingadevaru of Seringapatam who is one of the unsuccessful candi-

candidates for election from Seringapatam Rural Constituency is also one of these applicants.

Mr. M.V. Rudraiya of Malur has been strongly recommended by Mr. S. Venkatakrishnaiya. The Registrar of Co-operative Societies has also been consulted about this gentleman. His opinion has not yet been received.

Spinning and Weaving.

Mr. N.S. Sirur has been the nominated representative of this Interest since 1924, and nobody else has come forward now to represent it.

Hand-loom weaving.

There are three applicants for nomination. No Association has applied for recognition. Perhaps the Kuruhina Setti Sangha, which has put in an application, may be regarded as an organisation of hand-loom weavers. A report regarding this Association has been called for. It has not yet been received.

Mining Labour.

Mr. O.V. Rajagopal is the present representative of this Interest.

Mr. R. Rangaiya, Contractor, K.G.F. is the only applicant for nomination now. The Deputy Commissioner's opinion regarding the eligibility of this gentleman has not yet been received.

7FX. Sericulture.

There are five applicants for nomination and they are :—

1. Mr. N. Viraraj Urs, T. Narsipur.
2. Mr. H. Manjaiya, Channarayapatna.
3. Mr. Syed Abdulla Sahib, Sidlagatta
4. Mr. S.Hampaiya, Sidlaghatta.
5. Mr. K.V.S. Swami, Kunigal.

maintained

7FZ. It has been decided to treat Temperance and Women's Interests as additional Special Interests and nominate one member from the Temperance Federation and two to represent women's Interests. Mr. W.H. Theobald of Mysore has requested that his wife may be nominated as

as a member of the Representative Assembly.

7B. The recommendation of the Rules Committee, that

(a) Aided Education
(b) Maternity and Child Welfare, &
(c) Indigenous Medicine

may be recognised as Special Interests requiring representation on the Assembly has also to be considered in this connection.

7J. Mr. Malali Venkataramaiya of Chaklespur and Mr. Malur Subba Rao, Advocate, Shimoga, have applied for nomination as representatives of Malnad interests.

MINORITY INTERESTS.

A list of Minority communities recognised in 1924 and 1927 is put up.

7L. A list of associations now enjoying the privilege, with particulars as to their working, received from the Deputy Commissioners, is also put up.

Applications received from Associations and individuals up to date are placed in the linked file.

The Central Mahomedan Association requests the number of seats guaranteed to Mahomedans to be increased from 15 to 25. The Muslim citizens of Chennapatna raised this question in the address presented by them to the Dewan in July 1928 and they were told in reply that the number of seats allotted to Muslims in the representative Assembly and the Legislative Council was fixed after careful consideration and that no further extension of the privilege was possible.

Under the R.A.Regulation the maximum number of members of the Assembly is 275. But ordinarily the Assembly contains 250 members and Government can rise this number up to the statutory maximum of 275 by providing for the representation of new interests and extra constituencies.

During the recent elections, 208 members have been returned (167 being for rural and 41 for urban constituencies), excluding 2 members elected by the University and one member by the Legal Interests.

The law requires not less than 35 seats for minorities to be elected by Associations as far as possible, the rest being nominated and not less than 15 seats have to be provided for special interests.

The Muhammadans, the Indian Christians and Depressed classes are entitled to have guaranteed seats as follows:--

15 for Muhammadans
5 for Indian Christians
6 for Depressed classes.

Since 8 members have been returned by the election, the remaining 7 seats have to be reserved for Muhammadans, and Indian Christians and Depressed classes have to be given 5 and 6 seats respectively. Thus 18 seats are disposed of.

Not less than 17 seats have to be provided for minority communities other than Muhammadans and Depressed classes. Now taking the various communities, the position

is as follows:--

Muhammadans:- On the last occasion two associations were recognised. In addition to these two, three more associations have applied for recognition at present. All these five Associations may be permitted to depute one member each. There are three more seats available for nomination by Government.

Indian Christians.-- There are three Associations of which one is said to be defunct. The remaining two Associations are the Catholic Association, Bangalore, and the Indian Christian Association, Bangalore. The former may be allowed to elect three members and the latter two. The five guaranteed seats are disposed of leaving no seats for nomination.

Depressed Classes.-- There are three Associations which were recognised last time and each of them may be allowed to elect one member. The remaining three members may be nominated.

The following Associations of minority communities may be allowed to elect the number of members noted against each of them.

Under the Representative Assembly Regulation there shall ordinarily be 250 members of the Representative Assembly, but Government can raise the strength up to a maximum of 275 for providing for the representation of new interests and extra constituencies.

2) In 1927, the strength of the Assembly was fixed at 260. It was subsequently raised to 261 by giving the franchise to Arsikere town.

3) The number of members elected through rural and urban constituencies this time is 208. According to the Regulation not less than 35 seats have to be given for the representation of minorities and not less than 15 for special interests; and these 50 seats (35 plus 15) have to be filled up as far as possible through election by recognised Associations and the rest by nomination.

4) Recent enquiries show that many of the Associations representing Minorities and special interests are not working properly. At the same time, the practice of nomination by Government to the Assembly (which did not exist before the Reforms) should, I think, be resorted to very sparingly. Moreover, as regards the "Special Interests" now recognised as such, only a few of them represent some "interest" deserving representation in a special manner, otherwise than through the general electorates. The rules on this subject have I think to be re-examined.

5) If we allot only 35 plus 15 seats for these the strength of the Assembly will be 208+35+15 or 258. But we have recently given three more seats to depressed classes, and there is a large number of special interests already recognised. To provide for all these I find that 38 seats for minorities and 23 seats for special interests are necessary. This will bring up the total strength of the Assembly to 208+38+23 or 269.

6) The cases of the various communities and special interests are noted below:-

Mahamadans. This community has obtained 8 seats from the general electorates. Seven more seats have to be given to the community. The two Associations now recognised, viz., the Central Mahamdan Association, Bangalore and the Majilisee-Milla Islamia Bangalore, may be permitted to depute one member each. Two new Associations, viz., the Anjumani Mahdeviya, Dairatal Islam, Kirgaval, and the Muslim Association, Tarikere may be recognised, and allowed to depute one member each. This will leave 3 member for nomination, and I propose the following names:-

Nos 1, 2, & 3 Syed Yusuf is a resident in Mysore.

(1) Mr. Md. Sait, Mysore,
(2) Mr. Abdul Aziz,
(3) Mr. Usman Khan, or in the alternative Mr. Khaji Syed Usuf of Hindupur taluk, ~~but who~~ owns property in Goribidnur and ~~had his~~ has connections in Bangalore.

Indian Christians. None from this community has been returned from the general electorates. As usual the Catholic Association, Bangalore, may be permitted to elect three members and the Indian Christian Association, Bangalore, two members. (I understand that the Indian Christian Education Fund Association Bangalore, which used to be combined with the Indian Christian Association for purposes of election has ceased to exist).

Depressed classes. No one from the depressed classes has been returned from the general electorates. The Adikarnataka Association, Chitaldrug and the Adidravida Jana Sabha, Kolar Gold Field, which are now recognised may be permitted to depute one member each. Particulars regarding the Adidravida Abhivridhi Sangha in Bangalore , which is another recognised Association, have not been furnished. Mr. R.

Mr. R. Gopalaswami Iyer who, I believe, was the President of the Association and is keenly interested in the amelioration of the depressed classes all over the State may be nominated as a member to represent depressed classes. The three remaining seats for nomination may be filled up by the nomination of (1) Mr. Jatre Naik (Lambani) of Hiriyur, (2) Mr. M.C. Cheluviah (Adikarnataka) of Mandya, and (3) Mr. Kulumane Chikkanna (Adikarnataka) of Tumkur.

Kurubars. One member has been returned from this community from the general electorates. But in view of the very large size of the community I think two more seats may be given to it (1) one by election by the Kuruba Sangha and (2) one by nomination. For the latter Mr. D.Puttiah Municipal Vice President of Tarikere may be selected.

Ganigars. Jyoti Nagara Mahasabha was recognised last year, but the Deputy Commissioner has reported that the Association has not been functioning properly. Mr. Muniswami Chetty who is connected with Doddanna's charities in Bangalore has been strongly recommended by Mr. D'Souza and I propose that he may be nominated.

Neygas. The Padmasala Sangha may as usual be permitted to elect one member.

Thigalars. The Vanhikula Kshatriya Sangha, Bangalore and the Agnivamsa Kshatriya Sangha, Tumkur, may be permitted to jointly send one representative.

Mahrattas. The Mahratta Samaj may be permitted to elect one representative.

Kshatriyas. The Arya Kshatriya Samaj, Chitaldrug, may be permitted to send one representative.

Rajputs. The Rajput Upakarani Provincial Mahasabha

may be permitted to send one representative.

Kuruhina Setti. The Kuruhina Setti Sangha may be permitted to send one representative.

7) For the other minority communities the following nominations are proposed:-

(1) Mr. Parthasarathaiya (Sathani) of Chikballapur;

(2) Mr. Bharamappa Naik (Pollegar) of Molakalmuru;

(3) Mr. L. Kempanna (Nayinda) of Tumkur;

(4) Mr. Nanjanna (Agasa) of Muniyur Thirthahalli;

(5) Mr. Kariyanna (Uppar) of Birur;

(6) Mr. Yejman Veerappachari (Panchala) of Bangalore

(7) Mr.K.Munivenkatappa (Woddar) of Kolar;

(8) Mr. Doddalinga Naik (Bedar) of Hiriyur;

(9) Mr. Kongadiappa (Devanga) of Dodballapur;

(10) Mr. Basavaiya (Kumbar) of Hassan.

(11) Kaniyars. A selection to be made in consultation with the Deputy Commissioner of Mysore.

This will make a total of 38 seats for minorities of which 18 will be through associations and 20 by nomination.

8) Special Interests. Two members have already been elected by the Mysore University and one by the Legal Practitioners. As usual the Planting Interest may be represented by one member elected by the European Planters' Association and another by the North Mysore Indian Planters' Association. The ~~K.G.F.~~ Mining interest may be represented by a member to be elected by the K.G.F. Mining Board. The interest of Trade and Commerce may be represented by the election of one member by the Mysore Chamber of Commerce and another by the Merchants' Association, Mysore. The Grain Merchants' Association,

The Deputy Commissioner said that the Grain Merchants' Association, Bangalore, had "forfeited the right" to send a member to the Representative Assembly and accordingly it was omitted from the list of Associations recognised to represent "Trade and Commerce". But on further consideration, I think it would be desirable to permit this Association to depute a Member.

Dear Sir Amin-ud-din,

I am writing just a line to put you in mind of your very kind wish expressed at Dodballapur Traveller's Bungalow to nominate me for the Representative Assembly. It may not be out of place to repeat that I am a citizen of Kolar District with house and landed property in the village of Kudumulakunte of Goribidunur Taluk paying an assessment of about Rs 200/ to your Govt.

I am intimately acquainted with the administrative methods in vogue in the adjoining British District and I am anxious to secure a comparative knowledge of those observed in the Mysore Province. I have been connected with the Local Boards administration in the Anantapur District for over twelve years.

With kind regards,

Yours very sincerely,
